Expedia® Insiders' Select™

The best hotels for any destination

We know outstanding hotels. And so do our customers. So who better than Expedia to provide a list of the 500 top hotels in the world? Expedia Insiders' Select is just that: an easy-to-browse list of the best hotels in terms of value and quality, as determined by our experts—and hundreds of thousands of customers just like you.

How does a top hotel make the Insiders' Select list? Read our methodology.

How'd we do it?

Of the 130,000 hotels and resorts on Expedia, only 500 hotels are deemed Insiders' Select 2011. Eligible hotels were ranked with a numerical score. These scores are completely independent of advertisers and partners. Only the top hotels with the highest scores were chosen for the Insiders' Select list.
